About Hoofbeats

Hoofbeats is Australia's leading riding, training, horse and land care magazine. It is the publication of choice for horse owners and riders looking for an informative and educational magazine that provides practical advice on all aspects of horse management, including horse and rider training, veterinary, alternative therapies, nutritional advice, clothing and apparel, equipment and accessories.

Over the years Hoofbeats has cemented its place in the equine industry as the magazine providing educational and creative content, encompassing every aspect of the equestrian lifestyle.

The Green Horse:

With the majority of readers living on a horse property, Hoofbeats caters specifically to their requirements in The Green Horse, an eight page guide to property management that is included in every issue.

An invaluable educational tool, the Green Horse addresses day to day issues affecting horse property owners such as fencing, reticulation, pasture and grazing management, paddock rotation, growing herbs for horses, eco-friendly practices, 'DIY' projects, 'green' products, news and general advice that suggests how horse properties can be managed to their full potential.

The Green Horse presents a perfect opportunity for advertisers to target readers who spend considerable amounts of money on maintaining and improving their property.

Catering to all horse owners, regardless of their particular equestrian pursuits, from top competitors across each of the disciplines through to recreational riders, Hoofbeats provides articles that will become essential reference material and referred to time and time again, providing advertisers increased brand awareness and long term exposure.
